Body Graphics 1. Body Graphics (Gold) 2. Body Graphics (Blue Grey)
Product designed to enhance the attitude of your car while adding that "style" statement. Built to strict Maruti specifications with almost 50 micron thin film base - these graphics have a life of 5 years and beyond with no absolute colour fading. Once properly applied - these would not fall off easily and hence would not leave an adhesive layer on car body that leads to excessive dust accumulation.

Body Cover
Tailor-made according to the shape of vehicle for perfect fit and has locking clips for firmly holding the cover in place.

Wiper Intermittent Kit
When used, it makes the wiper operate in tandem with the washer, wiping the windscreen in intermittent strokes. Keeps your vision clear by giving you a clean and clear windscreen!

Chrome Door Handle Cover Set
